I want this story,  
not because it is  
the one I would  
write,  
but because it  
is the one He is  
writing for me.

If I were to wish BIG  
beyond reason,  
at the edge of hope,  
I would ask...

to dance in warm rain,  
swim with a dolphin  
hike by a mountain lake, kayak.

For everyone:  
stable shelter, food  
connections, family, safety.

**Come Mary**

Come child of thee  
to the temple  
learn to stitch and weave  
Come Mary, there are daily  
tasks that need doing  
in the house of God

Come child wearing blue  
Pray, meditate  
study in the light of day  
Sleep Mary, child of man  
night is for rest  
Time for prayer in the  
morning light

Come Mary, beget child  
that will save sons of man  
Mother of life, one entrusted  
with son of salvation

"Culturally hybrid women, then, lead to hybrid nations. Women's bodies become an important part of the nationalistic agenda as issues of nationalism and cultural purity are negotiated directly on their bodies." – Sharon Jacob

"This prophethess – whatever her real name is – is never allowed to speak for herself; we only know one side of the story." – Tina Pippin

"And yet, and yet... echoing down the ages still come the words which this woman almost certainly arose from her couch in the midst of the assembly to speak and thanks to the author of Revelation, she forever keeps on speaking: 'εἰμι προφητῆς (I am a prophethess.)'" – Sara Elizabeth Shier

Greetings From  
Camp Earth

Hi Dad,

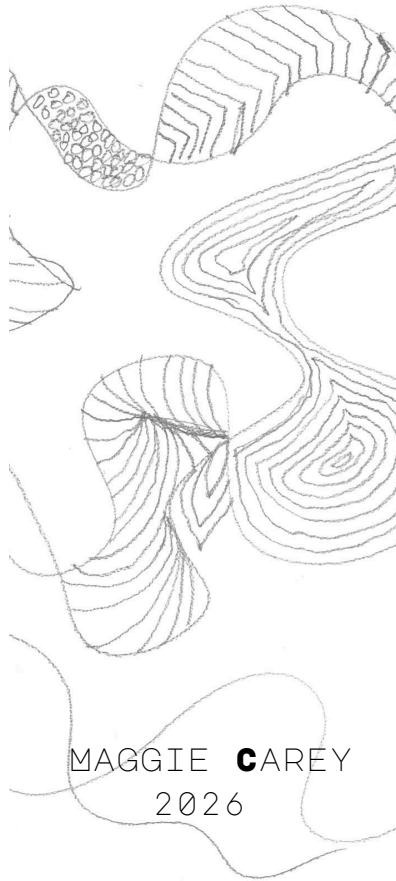

Camp Earth has been mostly fun, but sometimes I miss you, and my room and Rep of course.

Thank you for the letter (very long) with the notes from uncles Matt, Mark, Luke, and John. I read it a lot. It helps when I am feeling homesick.

Some new kids showed up, so I did what you taught me and made them feel welcome. But, I sneaked an extra cupcake after dinner last night. It was really good, but I feel horrible now.

I will tell a counselor tomorrow, probably Joseph because he is kind and understanding. Wish you were here (ha ha).  
Your loving son,  
Frank

HE DOES

Who makes the sun to shine  
Who makes the moon so bright  
Who makes the stars in sky  
He does

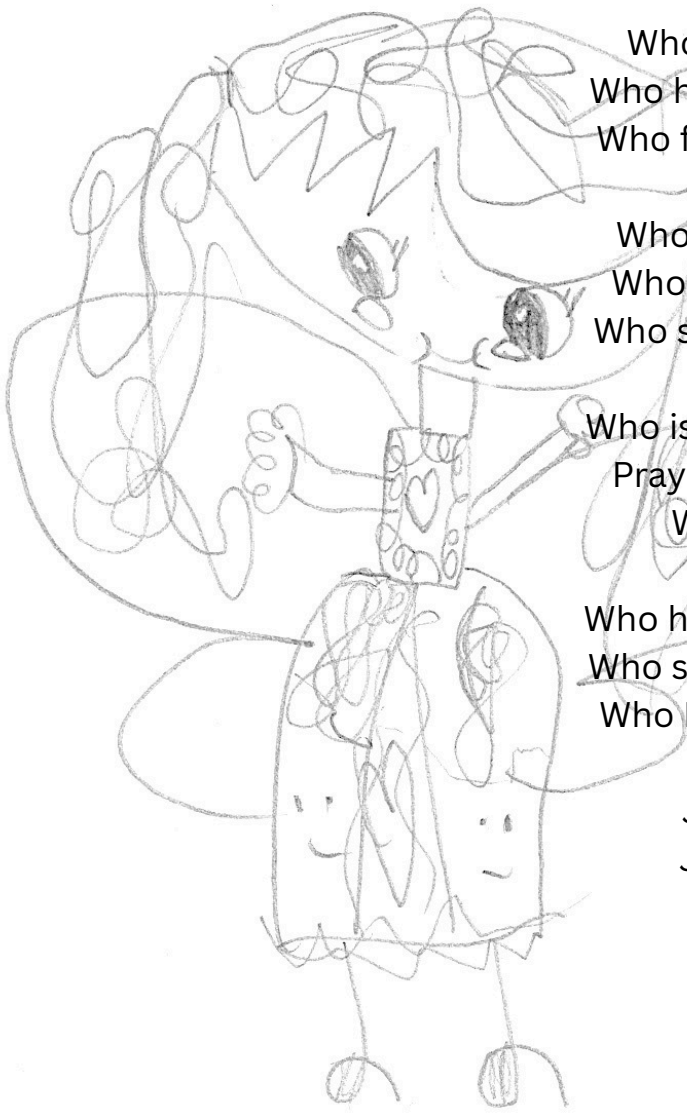

Who heals my sickness  
Who heals my broken heart  
Who fills me with gladness  
He does

Who calls me to Himself  
Who hides my life in Him  
Who sets me free from self  
He does

Who is my Great High Priest  
Praying for me endlessly  
Who gives me life  
He does

Who helps me when in need  
Who shows me great mercy  
Who Helps my eyes to see  
He does

God has a plan and it's to prosper  
 not harm you  
 The enemy will deceive you to believe the  
 opposite is true  
 No matter what you're going thru just call  
 the name of Jesus  
 And stay in your word because that's how  
 He speaks to us.  
 There's nothing that you've done that God  
 won't forgive you for  
 There's nothing that you've lost that God said  
 He won't restore  
 Them fights and them battles that  
 you've lost you won't lose no more  
 If you're ready to live life with Christ  
 then say I'm ready Lord.

## Tzitzit

It is just outside my  
reach,  
like the desert mirage.

I know I can be healed,  
But, the market place is  
crowded.

And, I know not when he  
comes.
