

First Christian Church

Thank you for inquiring about First Christian Church as the place for your wedding. In the church, the marriage ceremony is a service of worship where you publicly exchange vows of love and commitment to each other. We hope the brief information here will be helpful to you as together you plan an occasion of beauty and great joy, a time when you truly feel the blessing of God as you begin your life together.

The beautiful stained glass behind the altar, set in stonework, enhances any color theme that might be chosen for your wedding. The photo below gives you an idea, but it truly must be seen to appreciate the richness of this work.

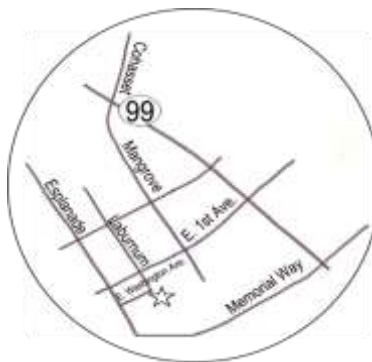

In addition to the use of the sanctuary, there is a large fellowship hall that can be utilized for a reception after your wedding; however, alcoholic beverages of any kind are not permitted in the church buildings or on church property.

Please feel free to contact the church office (530-343-3727) to arrange for a tour of the facilities and to ask any additional questions you might have. The office is open Monday through Thursday, 8 a.m.–noon and 1–2:30 p.m.

Directions:

From Hwy 99 North or South get off on the East 1st Ave. exit in Chico. Turn West (left from 99 north or right from 99 south). Continue west through Mangrove Ave. to the third street, Laburnum. Turn left and proceed for two short blocks. You will see the church in front of you.

Minister

It is required that one of our ministers officiate at all of the weddings at our church; however, we realize that there may be a significant clergy-person from your past that you wish to have included in the ceremony, and we are happy to accommodate as much as possible. Please let us know at the onset of the planning process if you desire to have another clergy member involved in the ceremony.

Church Membership

It is not a requirement that you be a member of First Christian Church to have your wedding in our sanctuary. If, however, you would like more information about our church, we would be happy to share with you about the Disciples of Christ denomination, or you may visit the denomination website at www.disciples.org or our own church website at www.fccchico.com

Scheduling Your Wedding

The first step in scheduling a wedding at First Christian Church is to contact our office and find out if the date is available. Next, to find out the availability of our pastoral staff. Then we have some informational paperwork that needs to be completed, and finally, when you turn in your paperwork, we require a \$150.00 non-refundable deposit to secure the date.

Wedding Host(ess)

When your wedding date has been put on the calendar, our Wedding Host(ess) will be contacted. Their purpose and function is to assist with the rehearsal and to ensure that all of the plans go smoothly during the ceremony so this truly is a day of wonderful memories.

Some also choose to hire a wedding consultant for the overall planning of their wedding, and our Wedding Host(ess) will be happy to work with them; however, during the ceremony, the minister and Wedding Hostess will be in charge of directing the proceedings.
