IX. “Gospel Medley in G” (Everyone)

Songs -

Take My Life

Holiness, holiness is what I long for

Holiness is what I need

Holiness, holiness is what is what you want from me

Take my heart and form it
Take my mind, transform it
Take my will, conform it
To yours, to yours oh Lord

Faithfulness, faithfulness is what I long for
Faithfulness is what I need
Faithfulness, faithfulness is what you want from me

Take my heart and form it
Take my mind, transform it
Take my will, conform it
To yours, to yours oh Lord
Righteousness, righteousness is what I long for
Righteousness is what I need
Righteousness, righteousness is what you want from
me

Take my heart and form it
Take my mind, transform it
Take my will, conform it
To yours, to yours oh Lord

How Great is Our God

The splendor of the King clothed in majesty
Let all the earth rejoice all the earth rejoice
He wraps Himself in light and darkness tries to hide
And trembles at His voice and trembles at His voice

How great is our God
How great is our God
And all will see how great
How great is our God

And age to age He stands and time is in His hands
Beginning and the End Beginning and the End
The Godhead three in one Father, Spirit, Son
The Lion and the Lamb the Lion and the Lamb

Name above all names
Worthy of all praise
My heart will sing
How great is our God

How great is our God
How great is our God
And all will see how great
How great is our God

Chorus: Love Can Build a Bridge

Love can build a bridge
Between your heart and mine
Love can build a bridge
Don't you think it's time, don't you think it's time

Chorus: Lord of the Dance

Dance, dance, wherever you may be
I am the Lord of the Dance, said He
And I'll lead you all, wherever you may be
And I'll lead you all in the Dance, said He

Amazing Grace

Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind but now I see

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

Through many dangers, toils and snares
I have already come
'Tis grace hath brought me safe thus far
And grace will lead me home

When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we'd first begun

Gospel Medley in G

Down at the cross where my Savior died
Down where from cleansing from sin I cried
There to my heart was the blood applied
Glory to his name

Glory to his name, glory to his name
There to my heart was the blood applied
Glory to his name

There's a land that is fairer than day
And by faith we can see it afar
For the Father waits over the way
To prepare us a dwelling place there

In the sweet, by and by
We shall meet at that beautiful shore
In the sweet by and by
We shall meet on that beautiful shore

Would you be free from the burden of sin?
There's power in the blood, power in the blood
Would you o'er evil a victory win
There's wonderful power in the blood

There is power, power, wonder working power
In the blood of the Lamb
There is power, power, wonder working power
In the precious blood of the Lamb

What a fellowship, what a joy divine
Leaning on the everlasting arms
What a blessedness, what a peace is mine
Leaning on the everlasting arms

Leaning, leaning, safe and secure from all alarms
Leaning, leaning, leaning on the everlasting arms

This little light of mine, I'm going to let it shine
This little light of mine, I'm going to let it shine
This little light of mine, I'm going to let it shine
Let it shine, let it shine, let it shine

Some glad morning when this life is o'er, I'll fly away
To a home on God's celestial shore, I'll fly away
I'll fly away, oh glory, I'll fly away
When I die, hallelujah by and by; I'll fly away

I wandered so aimlessly - life filled with sin
I wouldn't let my dear Savior in
Then Jesus came like a stranger in the night
Praise the Lord, I saw the light

I saw the light, I saw the light
No more darkness, no more night
Now I'm so happy, no sorrow in sight
Praise the Lord, I saw the light
Praise the Lord, I saw the light
